

To,

**Mr. Pramod Mundada**  
Director, Bai-Kakaji Group  
Latur, Maharashtra

**Dear Mr. Pramod and Team Bai-Kakaji,**

We are writing to extend our heartfelt appreciation to you and your team at Bai-Kakaji Industries for your exceptional commitment and dedication in procuring HyCAP4.0 Complete System for producing India's first injection molded 26/22 GME 30.41 CSD Closure at 1.6g. This closure is currently the lightest in the India market offering a significant sustainability advantages to your end customers.

Your unwavering commitment to understanding specific requirements of the industry-leading 26/22 CSD neck finish and ensuring that 1.6g 26/22 closure perfectly aligns with the industry needs are most certainly recognized. Your team's expertise and professionalism throughout the entire process were exemplary, making the total experience smooth and efficient. Moreover, the advanced features and cutting-edge HyCAP™ Technology are sure to revolutionize your manufacturing process, enhancing efficiency and increasing productivity to new heights.

We recognize the significance of this milestone in our journey, and we are genuinely grateful for your collaboration and cooperation in making it possible. With this state-of-the-art system now at your facility, we together are poised to set new standards of excellence in the industry.

Once again, thank you for choosing Husky as an integral part of your success story. We look forward to continuing our fruitful collaboration and exploring more opportunities for mutual growth in the future.

With great thanks.

Sincerely Yours,

**Yves Rebert**
